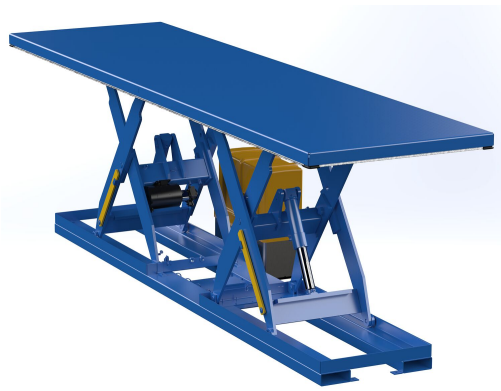
Steel Electric Hydraulic Tandem Lift Table 48 In. x 180 In. 4000 Lb. Capacity Blue

MODEL EHLT-TL-48180-4-58

Ergonomic Solutions / Electric Hydraulic Tandem Lifting Tables



PRODUCT OVERVIEW

An electric hydraulic tandem scissor lift table is an exceptional asset in a variety of manufacturing and warehouse facilities. With a tandem design, lifting and positioning items is now a simple and secure process. The durable steel construction allows lifting of both large and heavy items. A hand control is included, allowing the user to keep a distance from the lift for additional safety. AC powered with 460V 3 phase.

KEY FEATURES

- Dual scissor lifts for added strength
- Open design allows loading and unloading from all sides
- Variable height positions
- Liquid paint finish
