

Steel Hydraulic Elevating Cart 39-1/2 In. x 20 In. 1750 Lb. Capacity Blue

MODEL CART-1750

Ergonomic Solutions / Hydraulic Elevating Carts

PRODUCT OVERVIEW

The Hydraulic elevating cart minimizes worker bending and lifting through its ergonomic design and portability. Material can be easily loaded onto a cart from a table, lowered to a safe transporting height, and raised to unload at destination. The foot pump includes a soft-lowering down valve. The unit moves easily on four polyurethane casters; two (2) swivel with brakes and two (2) rigid. Features a single-speed foot pump. Features an internal safety velocity fuse in each cylinder.

KEY FEATURES

- Unique lift design quickly raises & lowers material
- Ergonomic cart design improves user safety
- Caster construction provides easy portability when loaded
- Steel construction offers long lasting rugged use
