

Steel Auto Hite Cart 40 In. x 19-3/4 In. x 30-1/2 In. 400 Lb. Capacity Orange

MODEL SCSC-400-2032

Ergonomic Solutions / Self-Elevating Lift Carts

PRODUCT OVERVIEW

The self-elevating lift cart has an automatic height adjustment that provides ergonomic work positioning to increase productivity and decrease work related repetitive motion injuries. The unit has one (1) spring with a heavy-duty steel construction and a bolt-on handle and rolls smoothly on poly-on-poly casters, two (2) rigid and two (2) swivel with brake standard.

KEY FEATURES

- Platform automatically moves down as weight is added and up as weight is removed for correct ergonomic heights
- Simple adjustable spring tension is variable for use with different types of loads
- Removable handle and casters convert cart into a stationary adjustable-height table
- Increases efficiency while reducing potentially harmful bending and twisting motions

CORE PRODUCT DATA
